Dear Tim:

Many thanks for all your news. At present I'm completely absorbed in finishing my book *BEYOND THEOLOGY: THE ART OF GODMANSHIP*. Alas, I simply can't manage anything else until after March 1st — when we will be coming East for about 6 weeks.

I wish very much I could do the tribute to Aldous, but there just isn't the time . . . . When we reach N.Y.

I will call you and make arrangements for a visit to Millbrook. I must tell you about a most extraordinary voyage with the aid of some grass in gingerbread. What a waste to smoke it!

Our love to you all.

Alan.
